| Geo | IDED READI orgia Its Herit ter 16: Georgia in the | age and Its Pro | omise | |
| | | | 386 - 401 to complete the | |
| 1. | In early, (| Georgia joined with othe | r southern states in a confederation whose | |
| | main | became fighting a | war to be independent from the | |
| | | | | |
| 2. | In the early years, the | ; | were in other states, but | |
| | Georgia provided | and | for the war effort. | |
| 3. | In the months between | en the election and the e | nd of his term, President James | |
| | did not do anything to stop the states that | | | |
| | | although he perso | nally believed that secession was | |
| | | · | | |
| 4. | By the end of 1861, _ | states in | n the had | |
| | seceded. | | | |
| 5. | All seven sent delega | ites to a special convent | ion in Montgomery, Alabama, where they | |
| | voted to join together | in what they considered | d a new country called the | |
| | | States | of | |
| 6. | The delegates chose | Jefferson | of Mississippi as president and | |
| | Alexander Stephens | of | as vice president. | |
| 7. | In March, a few days | after Abraham Lincoln b | pecame, | |
| | Georgia's secession | convention delegates m | et again, this time in Savannah. | |
| | | | | |

| 3. The convention [in Georgia] accepted the | constitution |
|---|---------------------------------------|
| without sending it to the | for their vote. |
| 9. Georgia Governor Joseph E. | , a strong believer in secession, had |
| quickly started to make Georgia | |
| 0. He called for volunteers for two | for Georgia's protection. |
| 1.On January 3 [1861] , even before secessi | ion , he had Fort Pulaski |
| from the governr | ment and claimed it for Georgia. |
| 2. After secession, he began to | other important federal government |
| properties that were within Georgia's boun | daries including the U.S (a |
| factory that made gold and silver money) in | n Dahlonega and the U.S. |
| in Augusta. | |
| 3.In South Carolina, the commander of | , located in |
| Charleston harbor refused to | the fort. |
| 4. President Lincoln had made it clear he was | s going to keep U.S. |
| that was within the | borders of the states that seceded. |
| 5. The fort was in desperate need of | , so Lincoln sent a |
| supply expedition. | |
| 6. In April 1862, the | government learned that the supplies |
| were coming with an | escort. Confederate President |
| Davis gave the | order to the fort. |
| 7. Since Major Robert | , the fort's commander, would not |
| | |

| the governmen | t of the United States. | |
|----------------------|-------------------------------|--|
| 19. He called for st | tate to jo | oin him in putting down the |
| · | He asked for | days of service because |
| he believed the | e rebellion would be over | |
| 20. The | had begun. On both sides | , rallied behind |
| their governme | ents. | |
| 21. Many of the or | dinary soldiers of the | were motivated by |
| | · | |
| 22. In the | , ordinary Confede | erates, most of whom did not own |
| | , wanted to | their homes and families. |
| 23. By spring 1862 | 2, the Confederate government | had begun to men to |
| serve; the follo | wing year, the | did as well. |
| 24. A draft is a | enr | ollment for military service. |
| 25. Before the surr | ender of Fort Sumter, eight | states of the Upper South |
| were still | of the Union. | |
| 26 | seceded very quickly | , followed by North Carolina, Tennessee, |
| and Arkansas. | | |
| 27. The western ar | rea of Virginia was so | about Virginia's secession that i |
| voted to form a | new state | and rejoin the United |
| States. | | |
| 00 71 | had many | going into the war. |

| 29. It had a much largerin the country | |
|---|-------------------------|
| in the country. | in the north |
| 30. Almost all were made i 31. The belonged to the Union. | in the north. |
| | national government, an |
| 32. The North also had a r in wartime. | iational government, an |
| | |
| 33. The Confederacy had the advantage of fighting i | n surroundings |
| and having the support of the local population. | |
| 34. The Confederacy also hoped to get some | and, perhaps, military |
| aid from the | |
| 35. They thought the British would need southern | for their textile mills |
| 36. That is one they thought th | ney might be able to |
| the more powerful Union. | |
| 37. Georgia began to as the state | e took part in the war. |
| 38. Georgia leaders encouraged the growing of food | I instead of cotton. |
| 39. In fact, Georgia became one of the major | of food for the |
| Confederate army. | |
| 40. The state also increased its | |
| 41.Before the war, Georgia m | |
| needed from Europe or the | · |
| 42.Early in the war, the Union plan was to | (prevent access to) all |
| Confederate ports. | |

| 40 D : 1 1 1 1 1 1 | |
|--|---------------------------------------|
| 43. Daring adventurers, called blockade | , mostly private ships, made |
| money and became in the South | n, but their efforts were not enough. |
| 44. After a search throughout the South, Colonel Georg | e Washington Raines chose |
| Augusta as the site for the Confederate | Works, which manufactured |
| for the entire Conf | ederacy. |
| 45. Georgia had a good system of | , but the lines now had to carry |
| much more freight and many passengers as troops | went to the battlefronts. |
| 46. The home front in Georgia and other Confederate s | tates was held together in large part |
| by | |
| 47. As men went off to war, women found themselves in | n far different from |
| their prewar duties. They took over | , farms, and shops. |
| 48. They did what they could to raise r | needed for the cause, founded aid |
| organizations to help soldie | ers, and by the end of the war, were |
| men they had never met bef | ore, an unthinkable |
| before the war. | |
| 49. One of the major the state | and the entire Confederacy faced |
| was the | |
| 50 for the war was a challenge | €. |
| 51.The Confederate government passed a small tax or | nat the |
| beginning of the war. | |
| 52.The Confederacy also m | noney by issuing bonds, but many, |
| including planters, were unwilling to | money to the government by |
| buying the bonds. | |

| 53.A | is a document that serves as proof | of a debt and requires the |
|--------------------|---|-----------------------------|
| payment of th | ne debt plus | |
| 54. Most of the m | noney to pay for the war was simply | up without |
| anything at a | I, like or | , backing it up. This meant |
| that the | of the money depended on the | people had in |
| the Confeder | ate government. | |
| 55. As the war co | ontinued and people became | that the |
| Confederacy | might win, the money became less | |
| 56 | began demanding | of it [money] to pay for |
| goods. | | |
| 57. In other word | s, began. | |
| 58. The decreasi | ng value of the money made many farmers | less willing to |
| their crops to | the army if they were going to be | with Confederate |
| money. | | |
| 59. The | started simply w | hat it needed and leaving |
| behind | that said the government owed th | ne farmers' money. |
| 60. The economy | was also by the Uni | on blockade. |
| 61. Not only did t | he blockade keep goods from coming | the state, it also |
| prevented go | ods from | |
| 62. So money tha | at normally came into the state through | was cut off during |
| the war. | | |
| | | occurred. |

| 1863, many of the | institutions of normal life were | early when so |
|--|--|--|
| many of the | left the state for | in other |
| states. | | |
| 65. Before the war, G | eorgia under Governor | had just begun to set up |
| public | system; that effort stopped. | |
| 66. For the schools ar | nd academies that did remain open, more | and more |
| became teachers. | (Before the war, most teachers were |) |
| 67. Like | , teaching became an acceptable | 9 |
| for females during | the war. | |
| 68. After the war, tead | ching and nursing became the two major | |
| | | |
| available to wome | n. | |

| 1. | As the | rate of soldiers rose due to t | pattle and to in |
| | the army camps, | many Georgians became | with the war. |
| 2. | In 1862, the Conf | ederate government had begun _ | soldiers into the |
| | army. The | could afford to _ | people to go as their |
| | | , but middle-class | could not. |
| 3. | During the first tw | o years of the war, the | had been fought in the |
| | West and in the u | upper South, especially | - |
| 4. | With the exception | n of the taking of Fort Pulaski, the | e of |
| | Savannah and G | eorgia's coast, and the | on the Western and Atlantic |
| | Railroad, the | aspect of the | war had not come to Georgia. |
| 5. | In late 1863, how | ever, the fighting did come to | Georgia. |
| 6. | Union General W | /illiam Tecumseh | brought the war into Georgia |
| | that summer with | his campaign to take first | , then |
| | | · | |
| 7. | The areas along | Sherman's path were in | when the war finally |
| | ended in the sprii | ng of | |
| 8. | While | had been working to take | , Union General |
| | William | had begun mo | ving toward middle Tennessee on |
| | June 24, 1863. | | |

| 9. Opposing him was | Confederate General Braxton | , | who had retreated |
|-------------------------|--------------------------------|---------------|---------------------|
| all the way to | | | |
| 10. Lincoln had wanted | l Rosecrans to | _ Chattanoog | a immediately, but |
| Rosecrans waited i | until mid-August. | | |
| 11. Confederate Presid | dent Jefferson ord | lered | to attack |
| Rosecrans and ser | nt help. | | |
| 12. Confederate reinfo | rcements under General Joseph | | arrived |
| from Mississippi, a | nd Georgian James | he | aded through the |
| Carolinas and Geo | rgia to join them. | | |
| 13. The real battle beg | an on September 18 near | | Creek. |
| 14. The | of Chickamauga lasted | | days. |
| 15. Because Bragg for | ced the out of Ge | orgia, he was | considered the |
| 16. But the losses on b | ooth sides were | : | Union |
| soldiers and almos | t 20,000 | men were | killed, wounded and |
| missing. | | | |
| 17. Bragg's officers wa | nted to immediately follow the | | Union troops |
| and | the army. Instead he decide | ded to lay | to |
| Chattanooga. | | | |
| 18. In October, Lincoln | had decided to put General | i | n charge, and he |
| arrived on October | 23 [outside of Chattanooga]. | | |
| | | | |
| | | | |
| | | | |

| 19. On November 24-25, Union troops | the Confederates first from |
|---|---|
| Missionary Ridge (southeast of Chattar | nooga) and then back into |
| 20. As the troops wintered in Tennessee in | 1863-1864, President Lincoln decided to |
| place General Grant in | of all the union armies. |
| 21. Grant believed in new strategies, includ | ling the idea of "continuous |
| ," even when th | e loss of life might be great. |
| 22. He believed that the South had to give | up the to fight. |
| 23. Union General George | received orders to advance on Confederate |
| General Robert E in Vi | rginia, and Grant chose General |
| Sherman to comm | and the of Georgia. |
| 24. During the first two years of the war, mo | ost battles had been, some |
| only a day, with long periods between f | ighting. |
| 25. Battles [now] lasted | , with sometimes very few days to rest in |
| between. | |
| 26. Another change in the strategy in 1864 | was that the war was taken to the |
| population. | |
| 27. Rather than relying on | being brought to them from behind, the |
| Union soldiers lived off the | and the |
| 28. When Sherman began his campaign fo | r Atlanta, he had 98,000 troops to face the |
| 65,000 troops of Confederate General | Joseph E, who replaced |
| | disaster. |

| repeatedly forced to | from his defensive position as Sherman's |
|----------------------------------|--|
| men arou | und him. When the two armies met in a conventional battle |
| on June 27 at | Mountain, Sherman's troops had five times the |
| number of | as Johnston's. |
| 30. Johnston's defensive tactics | led Confederate President Jefferson Davis to replace him |
| with General John B | |
| 31.Sherman continued to fight t | oward, and by late July he was on the |
| outskirts. | |
| 32. Sherman, however, could | take the city from its defenders, who were led by |
| General Hood. | |
| 33. The war was becoming | in the north, and many thought President |
| Lincoln might lose the | in the fall of 1864. |
| 34. The | Party of the north was running against him on a |
| of op | posing emancipation and trying to make |
| with the South. | |
| 35. (A | is a statement of the principles and policies that a political |
| party supports.) | |
| 36. Georgia's Alexander | was still vice president of the Confederacy. |
| He hoped that a Democratic | against Lincoln might bring a cease |
| fire () | and perhaps even an end to the war, with the South |
| recognized as an independe | nt |
| 37. Hood's and Sherman's | fought the rest of July and August. |

| 38. Finally, | pulled his troops from the trencl | hes north of the city and |
|-------------------------|---|-----------------------------|
| sent them around | d the of Atlanta to de | estroy the |
| | and Atlanta off from the | rest of the South. |
| 39. Hood at first wen | nt to northern Georgia, hoping to cut off the _ | |
| Sherman and his | s men were getting from | |
| 40. He [Hood] was un | nsuccessful and had to | to Alabama. |
| 41. Sherman sent a | to Lincoln; " | is ours" |
| Thanks, in part, t | to Sherman, Lincoln reelection | in the North. |
| 42. General Hood too | ok his army through northern Alabama and th | nen into Tennessee, |
| hoping Sherman | would him. | |
| 43. Sherman, howev | ver, was determined toth | nrough Georgia from |
| Atlanta to the | Ocean. | |
| 44. His " | to the" was aimed at | making " so |
| | " that Georgia would want to | it. |
| 45. His troops left a _ | Atlanta in mid-Novem | ber and spread out over |
| the countryside. | | |
| 46. They | railroads and bridges, | food from |
| Georgia's fields a | and up the cotton crop. | |
| 47. In the Georgia sta | ate capital of | , the Union soldiers held a |
| | (pretend) session of the legislature and | Georgia's |
| ordinance of sec | ession. | |
| 48. As Union troops | marched the hundred miles to | the sea, |
| Americans left the | ne plantations and them | 1. |

| 49. Sherman's march meant | However, they often encountered |
|--|---|
| from the norther | n troops. |
| 50. (is abusive or | discriminatory behavior toward members of another |
| race.) | |
| 51. Many northerners thought | was wrong, but they did not believe in the |
| of blacks ar | nd whites. |
| 52. Sherman's troops reached | on December 21, 1864. |
| 53. In February, Sherman's army left for | Carolina, the state where both |
| and the | had begun. |
| 54. While most of Georgia's | Milledgeville had been spared |
| much of Colu | umbia was down. |
| 55. These in Georgia | and South Carolina accomplished what Sherman |
| had hoped. More and more | were ready for peace. |
| 56. By 1864, the main Confederate | of war camp for |
| Union soldi | ers in Richmond had become overcrowded. |
| 57. The Confederate government decide | ed to build a new camp deeper |
| within the Confederacy. The site ch | osen was in Macon County in southwest Georgia |
| near the railroad of | f Andersonville. |
| 58. The prison opened in February | In March, Captain Henry |
| took over command. | |
| 59. Unfortunately, | quickly became overcrowded. By August |
| 1864, it held more than | Union prisoners. |
| 60. This overcrowding led to | problems. |

| garbage, | | the drinking water. | This caused |
|----------------------|-----------------------------|-----------------------------|-----------------------|
| | to sweep through t | | |
| 32 | and other necessary ite | ms were difficult to get in | a Confederacy dealing |
