Part II: Making a Wordle
Now let's learn some additional facts about this Native American group. Use your school's online research resources, along with the map, to find eight to ten facts about the tribe. Record these in sentence form on the next page.

You will use these sentences later to create a word art graphic creation based on text. Each sentence must start with or include the name of the tribe from your research. Your teacher may assign a different tribe to you for your Wordle creation.

To create your word art, go to https://www.wordclouds.com. Click the **File** link and choose **New Wordcloud**. Click the **Word list** button and then the **Paste/Type text** link. Type your sentences into the box and then click **Apply.**

You'll notice that some words are larger than others. That's because the website checks your text and makes words larger if they are used more often.

Try buttons for Font, Shape, Theme, etc. to change the look of your word art. Save and print your final design! NOTE: Make sure the name of your tribe shows up as the largest word!
