South Carolina: Our History, Our Home

Chapter 10: Reconstructing The Nation & The State

Instructions: Complete the crossword puzzle. Use the clues to help identify the words.

Across

1. Black _____ - a series of laws enacted by most of the southern states after the Civil War that were intended to restrict the freedom of blacks
5. Red _____ campaign - the nickname for Democrat Wade Hampton, III's campaign for South Carolina governor in 1876, because he was accompanied by men wearing red shirts with the purpose of intimidating Republican voters
6. forgiveness
10. the term applied to the rebuilding of the South after the Civil War
12. accusations spread deliberately to further a cause or damage an opposing cause
14. _____ system - owner divided his property into family-size farms, and a laborer's family worked the farm; when the crop was harvested, both the owner and the laborer got a share
16. _____ Republicans - northerners who pushed most for civil rights for freedmen and changes in southern behavior and were determined not to allow the former Confederate states back into full partnership in the nation until they demonstrated their willingness to reform

Down

2. prejudiced treatment of a group
3. the name given to southern whites who cooperated with blacks and Republicans
4. the merging of diverse elements into a unified whole
7. _____ farmer - a farmer who worked someone else's property
8. Ku _____ Klan - (KKK) a secret racist organization that used intimidation and violence to influence the behavior of citizens; organized in the South Carolina in 1868
9. _____ Bureau - a federal government agency established in 1865 to provide food, shelter, education, health care, and employment for former slaves in the South
11. _____ system - the owners and sharecroppers, having no cash, bought supplies on credit from the country store and the merchant got a lien or mortgage on the crop; at harvest time, the merchant was paid first, then the landowner and sharecropper divided anything left over
13. a serious downturn in the economy
15. the name given by southern whites to northerners, white or black, who came south after the war
