

Chapter 5: Kingdom of Saudi Arabia

Section 4: The Economy of Saudi Arabia

Section 4: Exports of Saudi Arabia

Directions: Use the pie chart to answer the questions.

Saudi Arabian Exports

1. What does the pie chart display about the exports of Saudi Arabia?

2. What percentage of exports are petroleum related?

3. Besides petroleum, what else does Saudi Arabia export?

4. Why is this chart an example of the need for diversification in Saudi Arabia's economy?

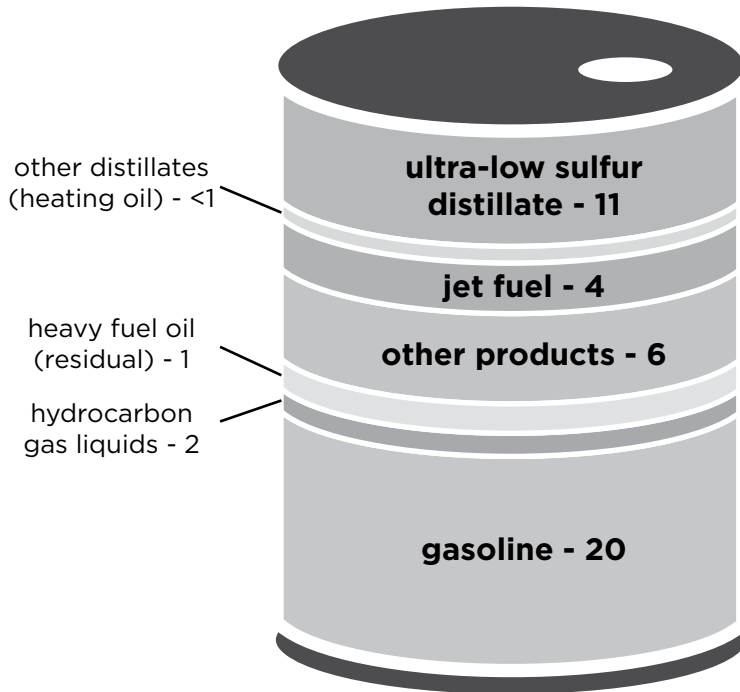

Continued on next page.

Directions: Analyze the infographic below, then answer the questions.

Petroleum products made from a barrel of crude oil, 2016

volumes

Note: A 42-gallon (U.S.) barrel of crude oil yields about 45 gallons of petroleum products because of refinery processing gain. The sum of the product amounts in the image may not equal 45 because of independent rounding.
