## Section 2: West Virginia and Global Trade

### Regional Industrial Development

**Directions:** In the boxes representing West Virginia's geographical regions, write the names of industries that have influenced the economy of the area.

The map shows West Virginia divided into four regions, each with a corresponding empty box for writing:

- Ohio River Valley** (top left)
- Allegheny Plateau** (top right)
- Allegheny Highlands** (bottom left)
- Potomac Section** (bottom right)
